## Emerging Frontiers in Neuroethics

What new ethical dilemmas do emerging neurotechnologies pose? Could 'neurorights' become essential? And how can perspectives from the Global South influence the global conversation on neuroethics?

Monday 25 November 2024

15:00-16:30 (GMT+2)

### Panellists:

Damian Eke  
University of  
Nottingham

Jasmine Kwasa  
Carnegie Mellon  
University

Diego Borbón  
Universidad  
Externado de  
Colombia

Katherine Bassil  
Utrecht University

Moderators: Olivia Matshabane (Stellenbosch University) & Anye Nyamnjoh (University of Cape Town)
